JERSEY AQUATIC CLUB

The Jersey Aquatic Center Vision

The Jersey Aquatic Center provides opportunities for swimmers regardless of race, gender, or creed to reach their highest personal potential as individuals, scholar athletes, and teammates. Success is more than one's place at the finish of a race. We strive to create an environment where scholar-athletes can explore their many talents and grow in character, physical development, and skill set through the sport of swimming.

MEETS

Entry Procedure/Scratching

We will be operating an "Opt-in" entry policy whereby we will:

- Email meet information with "commit" or decline deadline
- Families Must OPT IN for each meet
- Information emailed as soon as it is received. May be a very short registration period.
- Permit families to select their swimmer's events (retaining coaches final approval or changes!)
- We will ONLY enter swimmers who have "committed" to attend the specific meet
- Once the deadline passes, NO REFUNDS CAN BE GIVEN
- Meets may be invoiced prior to competition.

Meets are "optional" and there are no guarantees that our entries will be "accepted" at all meets...regardless of best efforts...

"Scratching": Your child is sick, or for whatever reason, cannot attend a meet they registered for.

Please Email:

swimteamjac@gmail.com

No Refunds After Reg. Deadline

INFO to know

NEW Volunteering Expectation for High School Swimmers:

10th - 12th Grade Swimmers - 6 Hours Required, more welcome

Younger swimmers look up to our older athletes! We want to encourage our older, wiser swimmers to work with and mentor our younger athletes.

Many opportunities will be given:

- Help out at family events
- help at 12/under meets

EQUIPMENT

- List on JAC Website
- Online Sales Through Ultimate Swim Shop Close 9/28/24
- Logo Suits will not be offered again until 9/2025

Volunteering **meets and more**

*Check Your Email
every day prior to
a meet!*

Parent Volunteers are an essential part of ALL meets!

35+ volunteers required to run a single session: Timers, officials, marshalls, runners, hospitality

No Experience Necessary for most jobs (except for Officials)

**If your child is entered in a meet, expect that you may have to volunteer.
Sign up early to get the spot you want**

JAC Team Hosted Meets: (Approximately 1 per season (Fall, Winter, Spring, Summer))

- All hands on deck, ALL families with swimmer entered are expected to volunteer in some way.
- Job Signup will go live at least 1 week prior, and close Wednesday prior
- Open spots will be assigned on Thursday: # of swimmers, past volunteerism, meet/session needs

**Once job signup closed or ASSIGNED, it is the family's responsibility to fulfill or find a replacement,
Great reason to get to know your fellow swim families!**

**NO SHOWS ARE A BIG PROBLEM! Make every effort to find a cover AND communicate with
Volunteer Coordinator, Coaches focus is on kids, don't make a missing timer their problem**

ALL JAC Families Expected to Volunteer 10 hours Per Swimmer

Swimmers Qualifying for higher level championships: Parents can expect to time more often
